

# Support Girl Scouts and Members of the Armed Forces!

## Business Support

Operation Cookie Share is a great way for your company to support local Girl Scouts and provide comfort to military personnel. 100% of cookie proceeds stay in the community to fund Girl Scout activities and community service projects.

When you contribute at the Bronze Level or above, you will also receive community recognition from Girl Scouts of Central Illinois and exposure on our website.

Girl Scouts of Central Illinois has collected over 420,000 boxes of cookies for Operation Cookie Share. Invest now and help us extend our reach!

*Every cookie has a mission.*
